Challenging Our Understanding of Psychosis

and Exploring Alternatives for Recovery

November 3 & 4, 2011
University of Toronto, Hart House

Registration and conference details to follow.

This conference offers a unique opportunity to hear from a distinguished group of writers, clinical practitioners, researchers, advocates and activists who are foremost in their fields of critical psychiatry, psychology, education, journalism, community development and activism. Their inspiring work on psychosis, depression and recovery puts them in the vanguard of the push to transform mental health care. Join them as they present the case for a new perspective on psychosis, and humanistic, community-based alternatives for recovery.
